Yearbook Dedication from The Class of 2005

The class of 2005 knew immediatly who they wanted to dedicate their yearbook to. There are so many things that we need to thank Mrs. Mancusco for. Without her hardwork, dedication and spirit our high school experience wouldn't have been as fun and successful as it turned out to be. With her guidance over the past four years we were able to raise the most money out of any class, win almost every school competition and enjoy so many special senior events. Once again we want to thank Mrs. Mancusco and want her to know how much we appreciate all she did for our class and how much we will all miss her.

Dr. Caroline M.C. White

Dr. White retired this June after working as Superintendent of Millis Public Schools for the past ten years. Millis has been lucky to have had stability in the Superintendents office while many school systems have had many changes. Dr. White could often be found in her office working diligently on the school budget, finding every penny there was for the students of Millis. She wanted the best for the students of Millis and we thank her for her many years of dedication to the Millis School System.

Mr. Dennis Naughton

Mr. Naughton left us a bit early in the year, saying farewell after the school made it through the NEASC evaluation. We were freshmen when Mr. Naughton left the classroom for the Principal's office, we were just settling into his classroom! The move proved to be a good thing for both Mr. Naughton and the students. We want to take a minute to thank Mr. Naughton for all the years he spent in the Social Studies classroom and for all his hard work for Millis High.

Mr. Lau Magner

Mr. Magner has spent most of his time at Millis High in the Chemistry lab. He has taught us all the fundamentals of Chem, who can forget his surprise "experiments" that catch sleepy students! Mr. Magner has joked us through the year all the while teaching us about chemistry, everyone probably still remembers what their element was for the year! In the last couple of years he has introduced Forensics culminating this year with the infamous Drew-Colby incident, it took all week to solve the mystery. We wish Mr. Magner all the best.

Mr. David Sperandio

Mr. Sperandio has spent most of his teaching years in the Middle School teaching Science. As well as we have known him as a teacher, we've known him through our High School years as Coach. Coach Sperandio has been the Head coach of the Football team for many years and has also coached Track. He has coached the Football team through thick and thin, instilling a sense of pride in his players no matter what the season record reads. Coach also helped to bring back the Track team to Millis and now it is thriving! We wish Coach Sperandio the very best.

Dr. Caroline M.C. White
Superintendent

Dear Graduates of the Class of 2005,

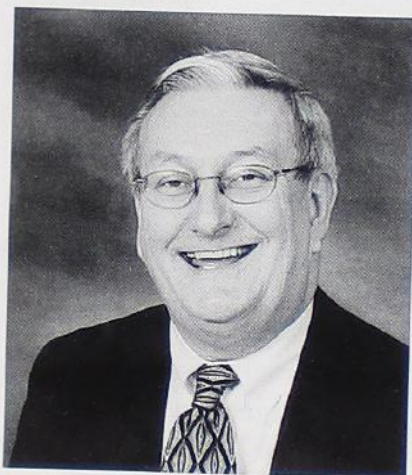

The Class of 2005 is the third graduating class to face the challenge of passing high stakes testing as a prerequisite for earning a high school diploma. Members of your class, like your predecessors in the Classes of 2003 and 2004, faced and surmounted this challenge. The Class of 2005 kept Millis' record intact as maintaining a 100% MCAS passing rate. Very few high schools in the Commonwealth can match Millis' success in this area. You are to be congratulated.

As you leave Millis High School, know that you are well prepared to meet life's challenges. Have confidence in yourselves. Believe in yourselves. Know that you can and will be successful. Millis is a very special community. The friends that you have made here will always be supportive as you move forward.

Best wishes to each and every one of you. Your parents, teachers and administrators are very proud of your achievements and successes. We believe in you. You are truly a very special class.

Sincerely yours,

Caroline M. C. White, Ph. D.

The defending State Champs went further and competed with teams that weren't expected. A highlight of the season was battling Div. 2 State Champs Marlboro in an intense match. We also were very competitive in the difficult Tri-Valley League and fought hard with Medfield in the season opener. We finished the season 13-9. Team awards went to Capt. Nikki Whitlow as MVP, Amanda Aulenback as Coach's Award, and Ashlee Wallace for MIP. The captains would like to wish the team good luck for next year.

The Freshmen Team

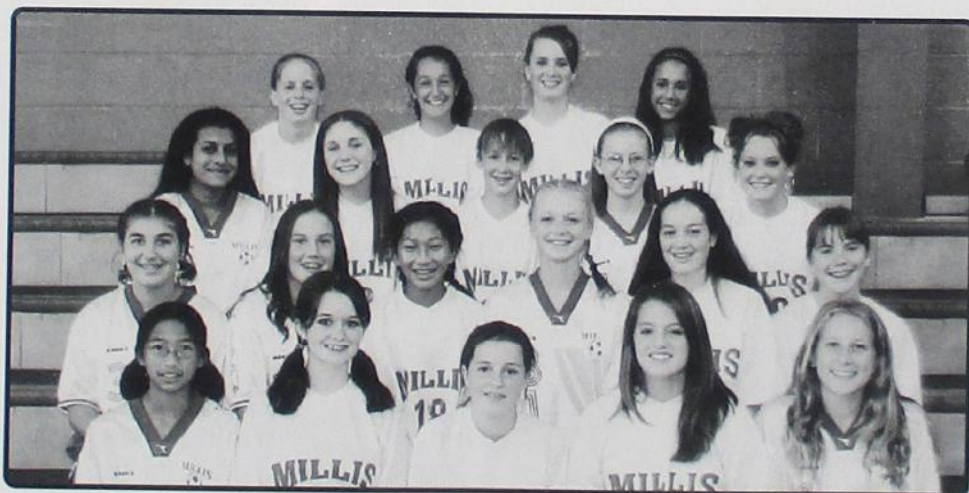

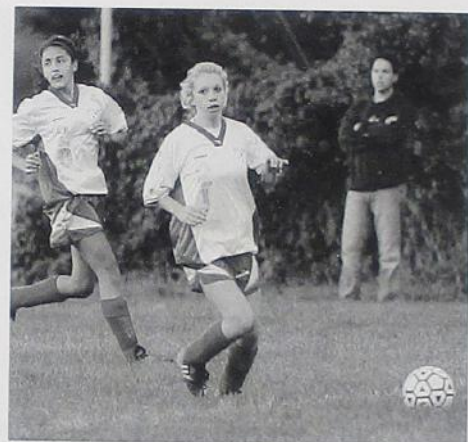

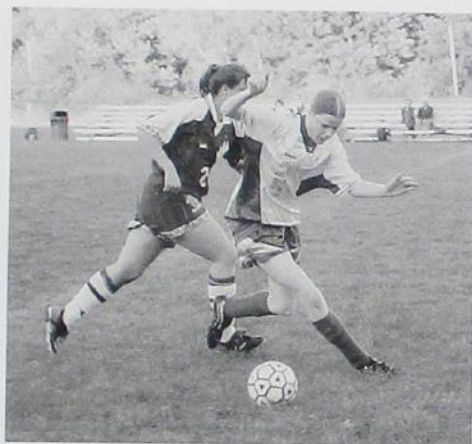

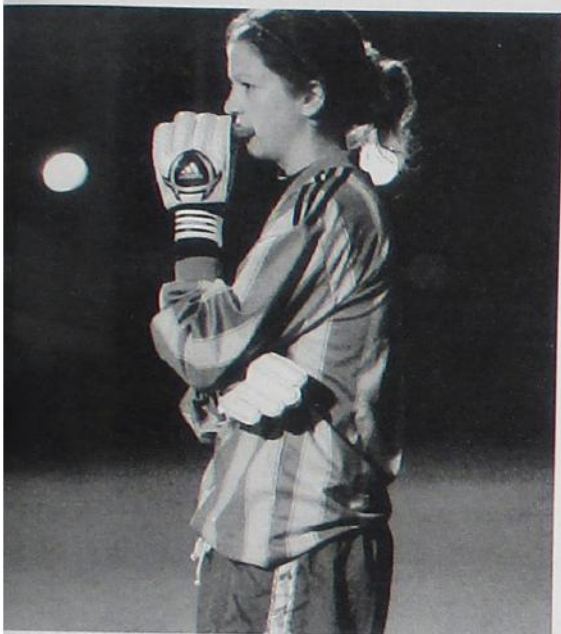

Girls' Soccer

Captain Tina Shuker and Sam Kemp led the team in offense. Captain Libbie Howley was a versatile player and earned TVL Team All-Star, along with Cary Simms who received 2nd Team All-Star for her incredible goal tending skills. Captain Jen Ward (2nd Team TVL All-Star) and Shanna Johnson played remarkable defense. Our greatest memories are two wins against Bellingham, our last two games that were the most competitive, team dinners, T-Ping the boys soccer team, and supporting the boys in the Tourney. Also, Molly Duffy received Eastern Mass All-Star and we wish everyone good luck in the future!

Boys' Soccer

This years soccer season was by far the best in some time. The season was back and forth but our goal was to make tournament. We lost a crucial game to Hopkinton, we needed to at least tie them to get into the tournament. Also, we did not want to go up against Ashland, the number one team in the Tri-Valley League. Ashland also had a thirteen game winning streak going and only one loss! During one of the longest games we amazingly pulled off a tie and "posted the O" against Ashland to get a ticket to the state tournament! Our record was exactly 500. We won the first two rounds of tournament play, finally loosing to Bourne. It was a great season!

Varsity Back Row: B. McAvoy, C. Pauli, I. Barrera, C. Trayner, A. Chamberlain, J. Pennini. 3rd Row: G. Maier, S. McPhee, C. DiMilla, PJ O'Keefe, S. Topazio. 2nd Row: S. Micucci, D. Anderson, C. Hedlund, B. Dugdale. Front Row: Capt D. Coleman, Capt K. Wessling, Capt J. Kuphal, Capt S. O'Keefe.

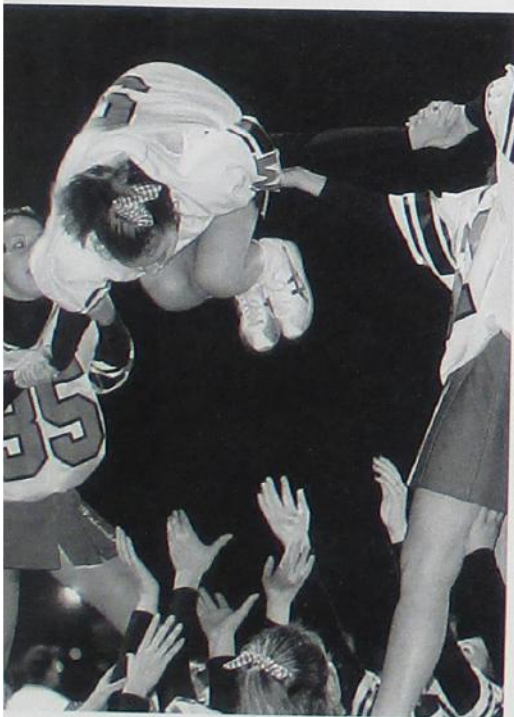

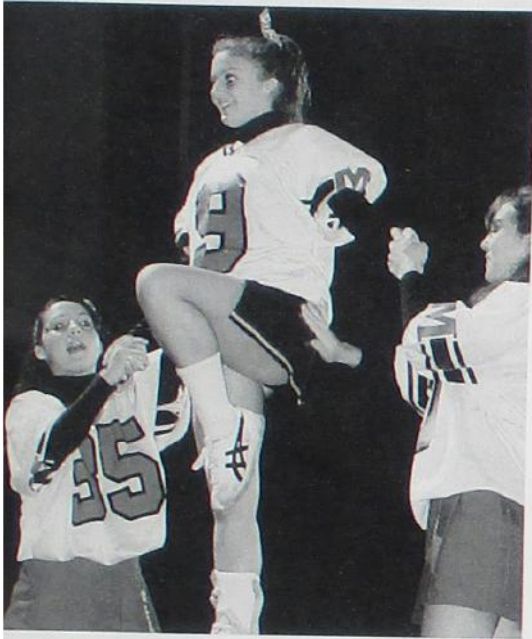

Cheerleaders

The team has extended their unrivaled success with another two awesome seasons. Under the guidance of Coach Erika Martineau and the help of Captains Nicole Carvelli and Jessica Gogan, the squad won the Regional Championships for both football and basketball season and the South Sectional Champs for our 6th & 7th consecutive seasons. We overcame adversity, and this year, truly proved ourselves to be the best on the floor in class and leadership. Our MVPs were Allison S. and Rebekah H., and our Tri-Valley All-Stars were Ahshley S., Jessica G., Nicole C. and Amoura C. Good luck next year. Work hard and stop at nothing to achieve your dreams.

Varsity Back Row: A. Blodgett, S. Shilo, A. Strong. 4th Row: S. Howland, R. Walsh, N. Mahan, C. Rouse. 3rd Row: K. Doucas, T. Caine, V. Marchica, A. Shilo, R. Hanlon, M. Speranza. 2nd Row: A. Chamberlain. Front Row: Capt N. Carvelli, Capt J. Gogan.

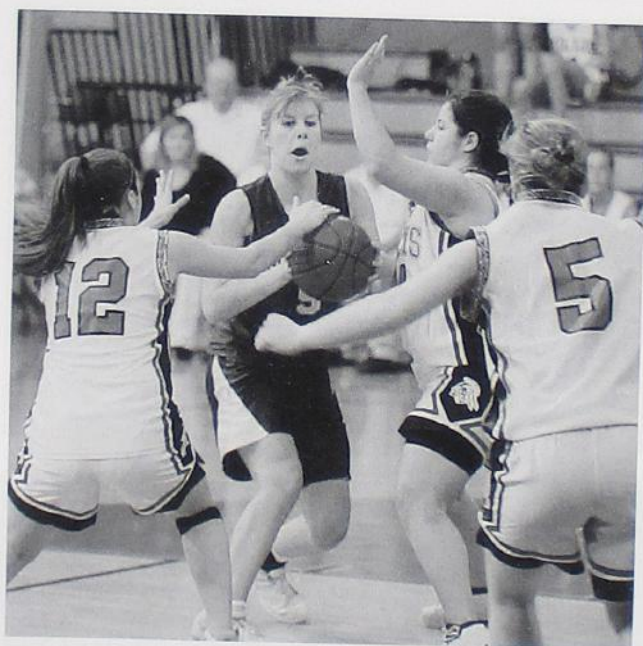

Girls' Basketball

The team returned all but 2 members of the first girls tourney team of last year. Although this year was not as successful, we were competitive in every game and beat rivals Medway and Bellingham in both meetings. Seniors Tina S., Jen W., Bailey W. and Danielle H. led the team with experience. Team dinners, sleepovers, babysitting and all our unforgettable coaches made this season one that won't be forgotten. Jen Ward received Coaches Award and League Honorable Mention. Tina Shuker received Unsung Hero and League All-Star. Sophomore Sam Howland stepped up and received Most Improved. The seniors wish the team good luck!

Varsity Back Row: S. Howland, D. Hilliard, Capt J. Ward, Capt T. Shuker, B. White, C. Brennan. Front Row: S. Fallon, L. Geary, E. Opanasets, M. Duffy, A. Perciaccante.

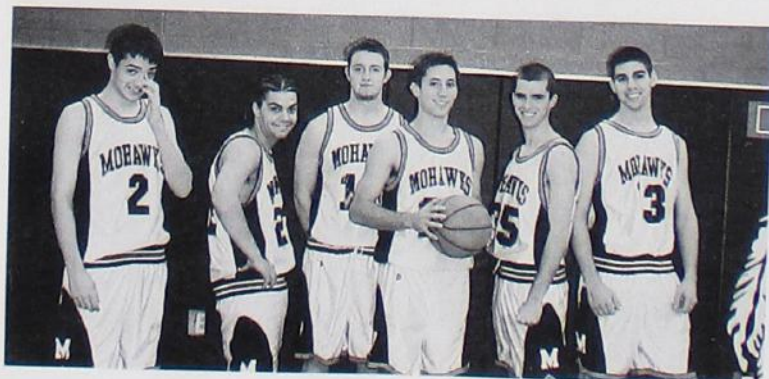

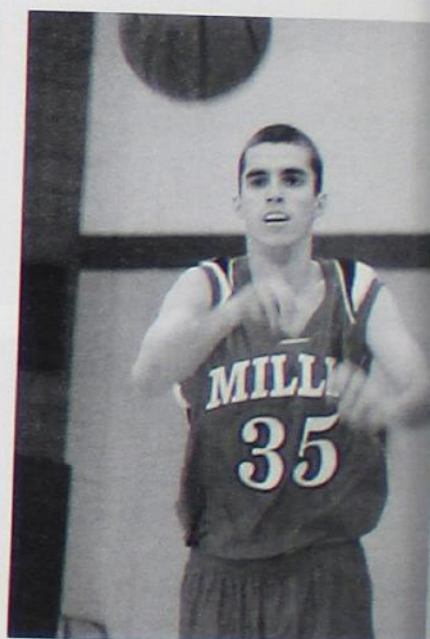

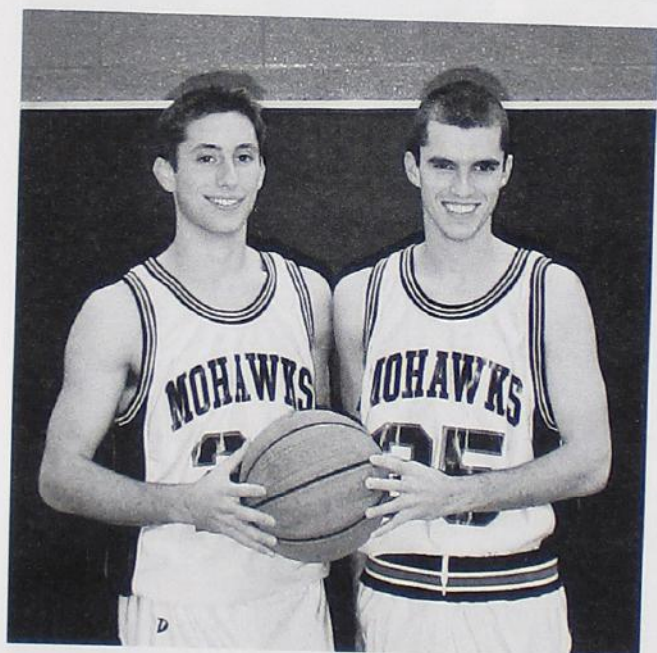

JV Back Row: J. LaCroix, C. Naughton, C. Nash, A. Luker, C. Page. Front Row: C. Divver, C. Landau, A. Ingraham, C. Mascis, B. Davis.

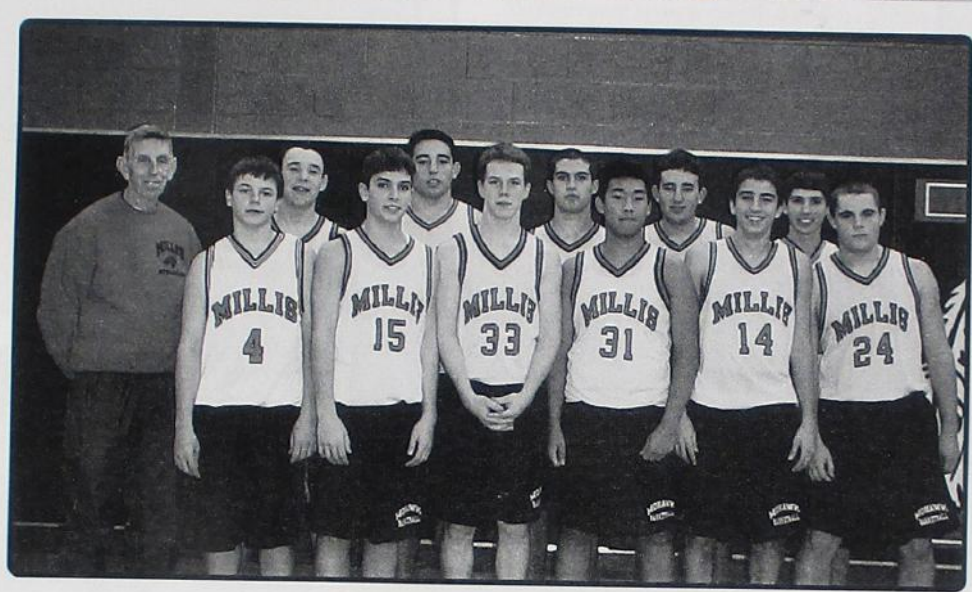

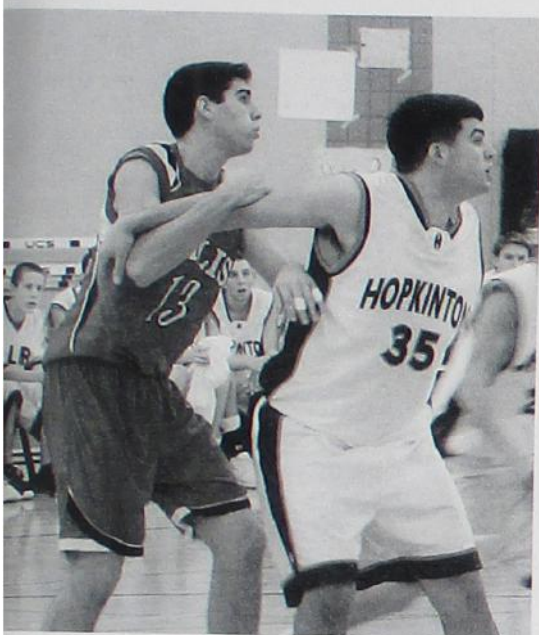

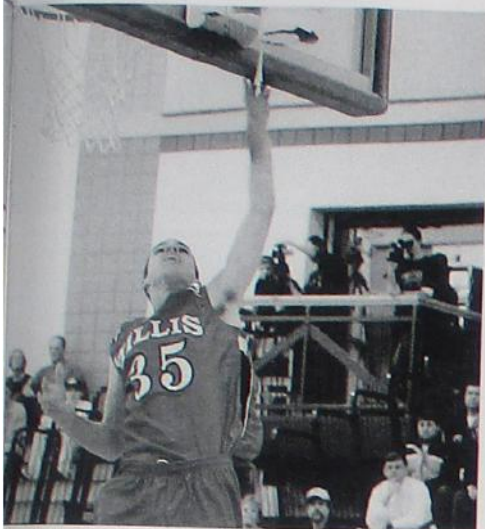

Boys' Basketball

The season ended with a record of about 500 with a lot of tight games. The biggest factor of the season was definitely the basketball skills of Chris S. Santos led the team in points, assists, and sometimes-even rebounds because he was all over. James C. contributed too with his ups-and-unders and other post up moves. Matt W. came in under clutch situations and would hit every shot he took like at BH when we needed the push. Kyle W. with his quickness and Kevin H.'s rebounds made us strong on defense. It was a great season for everyone this year. One of the best memories was beating Blue Hills after they came out to "Bring em out" with the smoke machine.

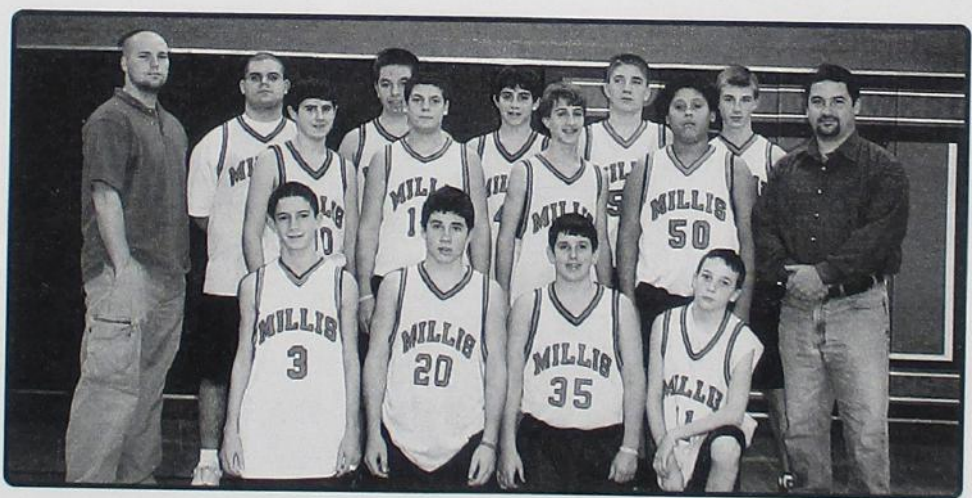

Varsity Back Row: Coach Barron, Coach Callahan, N. Greer, E. Riley, S. Micucci, K. Heffernan, J. Connolly, C. Hogan, Coach Tingley, Coach Ingraham. **Front Row:** M. Warner, C. Santos, Capt. K. Wessling, Capt. D. Coleman, W. Dick.

Softball

Once upon a time our Millis 15th seeded Softball team entered the State Tournament at 7-13 and proceeded to win the E-Mass title. Despite a losing record in the regular season, we bonded with team dinners and bowling preparing us for our Cinderella run. With 6 straight wins the team went on to Millis' first ever Softball State Final. Although our season did not have the fairy tale ending, it was a dream season nonetheless! Capt. Jen W. received both 1st team Tri-Valley and Metrowest All-Star recognition. Coach Hendrick was honored as Metrowest Coach of the Year for leading us to an unforgettable season. Molly F.'s first year performance earned her a Tri-Valley Honorable Mention along with Capt Steph C. and Whitney Pyle. Steph, Molly and Capt Meredith T. also received Metrowest recognition.

Varsity Back Row: Coach Hendrick, S. Fallon, A. Chisholm, C. Grant, A. Pyle, C. Brennan, C. Nash, C. Mascis, Coach Fitzgerald, M. Ferraro, S. Wessling, S. Callahan, L. Bocchino, C. Divver, Coach McCarthy.
Front Row: K. Madge, N. Whitlow, Capt S. Cushman, W. Pyle, Capt M. Tocci, Capt J. Ward.

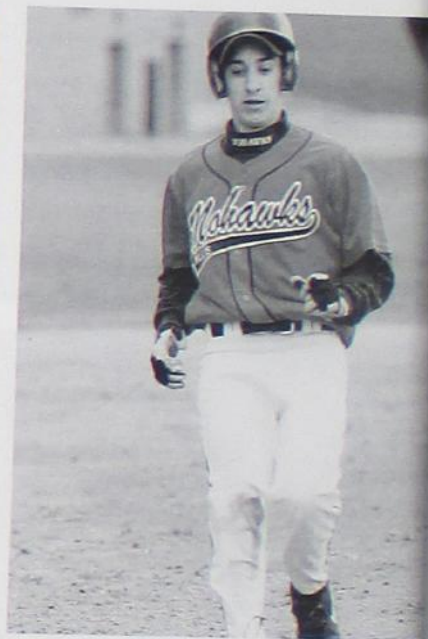

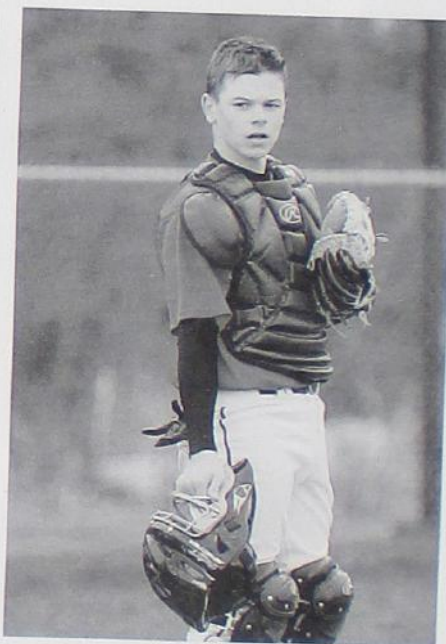

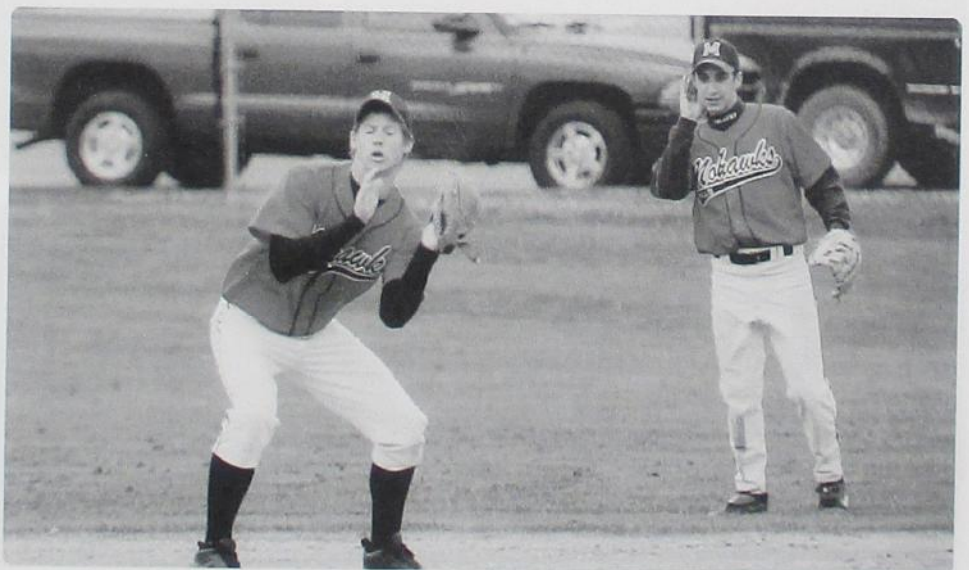

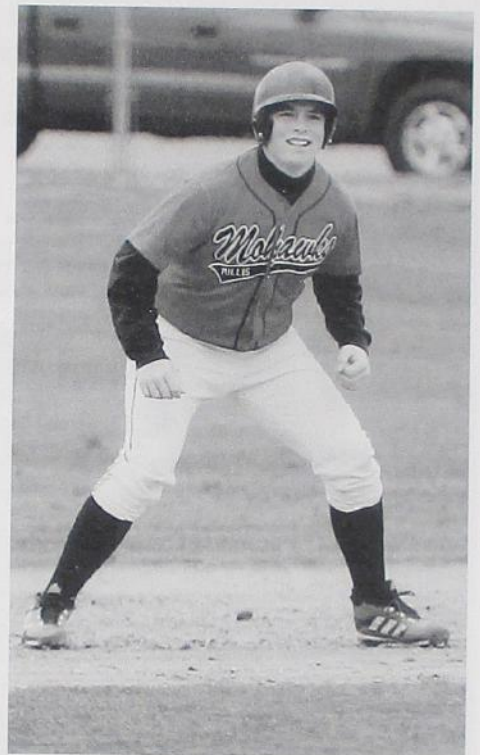

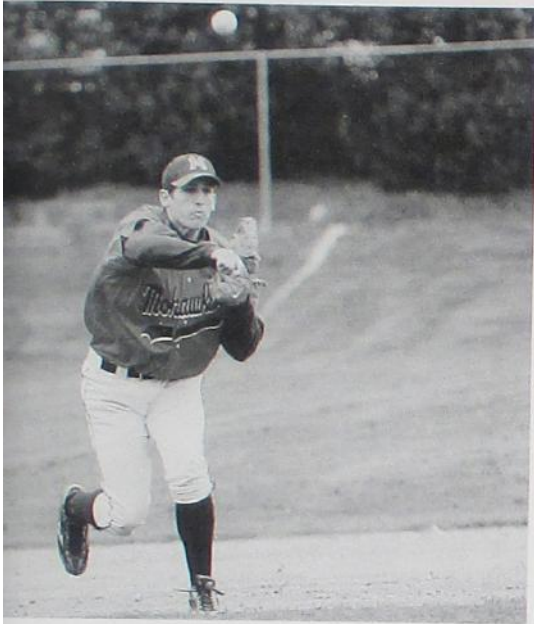

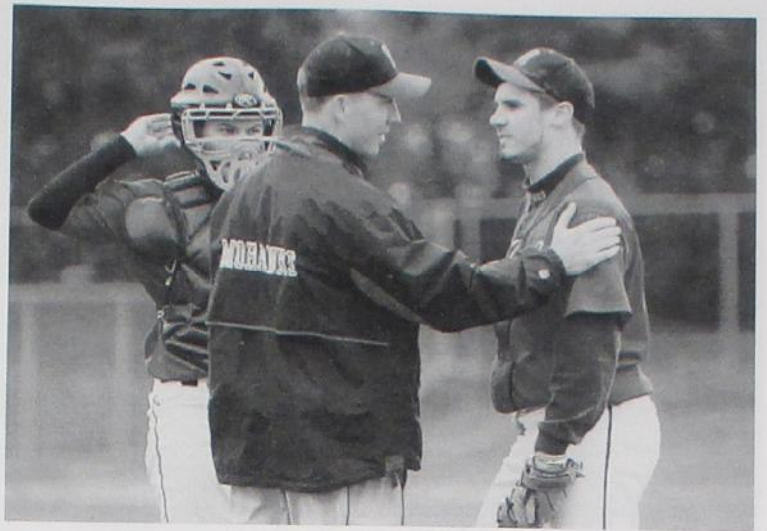

Baseball

Coming from a 0-20 season the past year there was no where to go but up. With a new head coach, great preseason attitude, positive thinking and awesome work ethic, the 2005 season looked promising. Our opening game against Bellingham showed us that things would not change overnight. From this game on the team improved a great deal and did not stop until the last game. Numerous games went errorless, our defense getting stronger each day. Our season ended with a record of 6-14, a great turn around and year to grow on. Nick G., Dave A. and Steve L. all received team awards and Steve L., Steve M. and Chris S. all made the All-Star team.

Varsity Back Row: S. Lambert, C. Santos, T. Caprarella, J. White, S. Maintanis, M. Fulone, C. Volpecelli, W. Moran. Front Row: Coach Caulfield, J. Connolly, Capt D. Anderson, P. Lesbriel, Capt. D. Clifford, N. Greer.

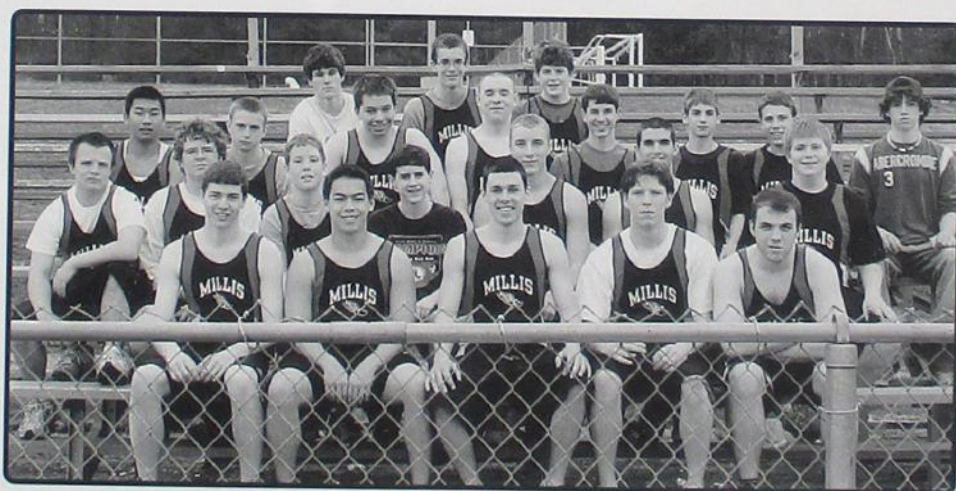

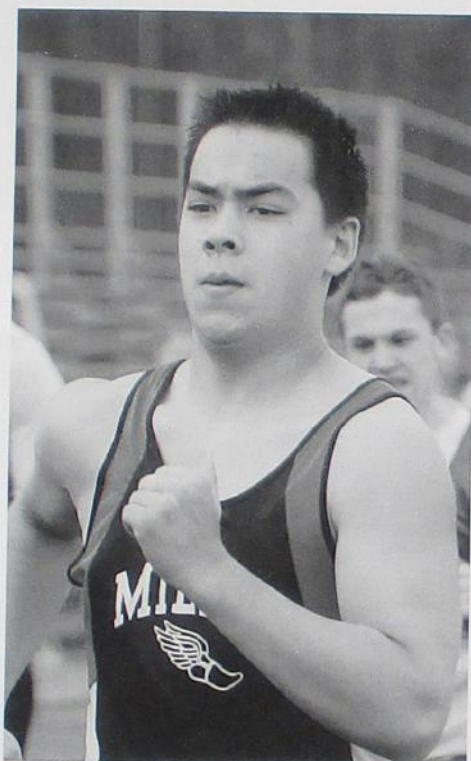

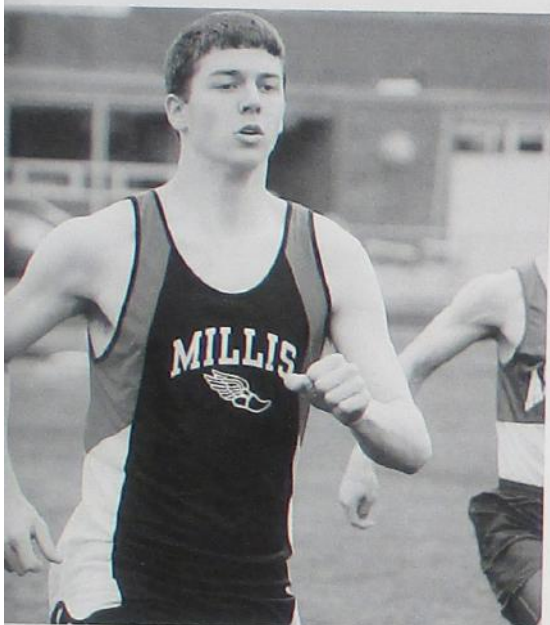

Track

The Girls' team had a very successful season 5-4, starting a "dynasty". In it's 4th year of existence, the girls finished over 500 for the second year in a row. The team defeated Ashland, D/S, Bellingham, Norton and Westwood in the very competitive TVL. Chrissie O, Sam H, Molly D and Sheena P set a new school record in the 4x4 with a 4:20 time. Sheena set a new 400 and 200 record, Kristina L set a record in the javalin, receiving All-Star recognition. Highlights were Alexis C placing 1st in the high jump which led to a tight win over D/S, keeping the team above 500. Also, the number of girls qualifying for the Sate Meet was more than ever before!

Girls' Team Back Row: M. Proe, S. Rideout. 3rd Row: K. Landau, S. Hendon, K. Babcock, R. Pearl, A. Barr, B. Gioia, J. Gregory, B. Davis, S. Howland. 2nd Row: J. Lee, M. Wong, S. Heffernan, A. Vecchi, B. Kilmartin, C. Jones, S. Parand. Front Row: C. Hegger, Capt A. Shilo, Capt C. O'Keeffe, Capt T. Shuker, Capt M. Duffy, A. Wallace, Coach Dupuis.

Tennis

Girls' Team Back Row: A. Whitaker, A. Schnieder, C. Powers, A. Pijanowski, Capt A. Duffy, Capt C. Curran, Capt E. Skendarian, J. Garland, Coach Ingraham. Front Row: K. Ingraham, K. Burnes, C. Haggerty, L. Geary, A. Sullivan, R. Walsh, A. Fusco.

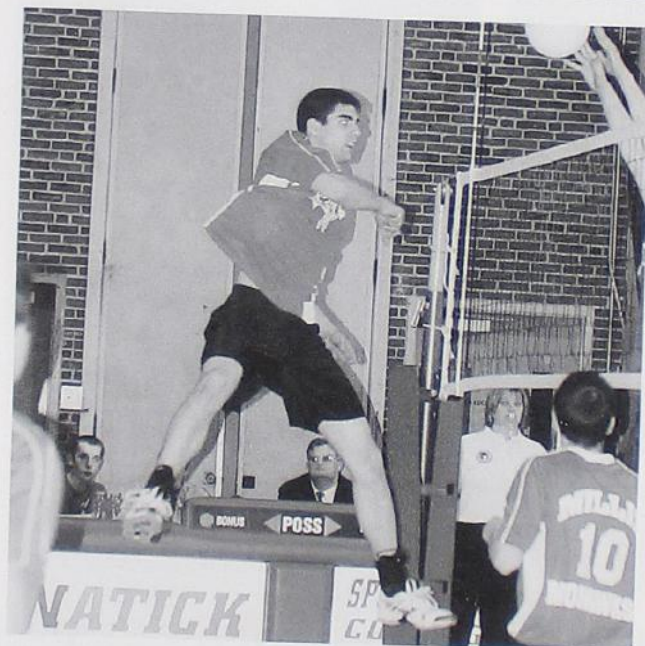

Boys' Team Back Row: D. Hegger, A. Haggerty, J. Greco, C. Horgan, Coach Gagne. Front Row: K. Vogt, J. Pearl, B. McAvoy, D. Magley.

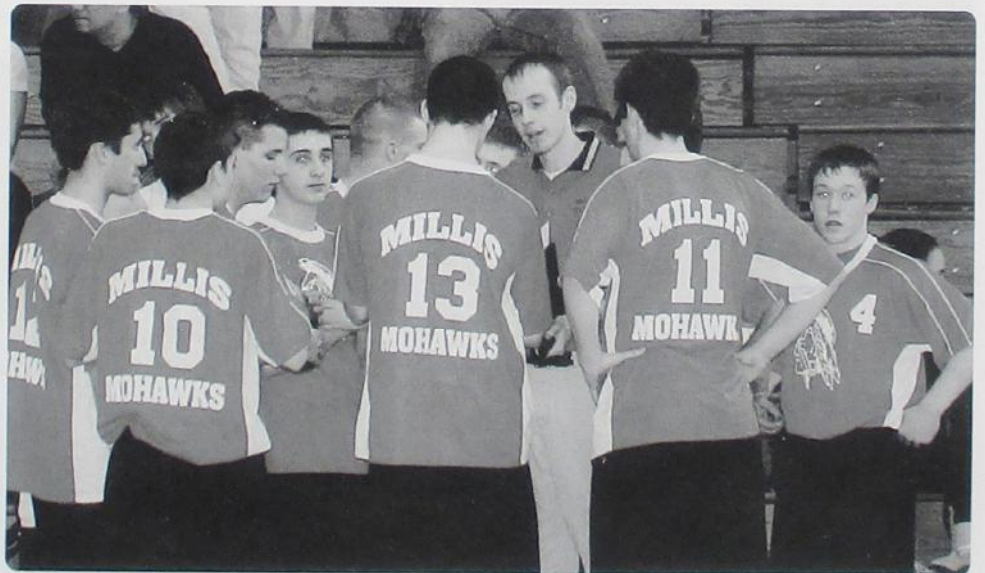

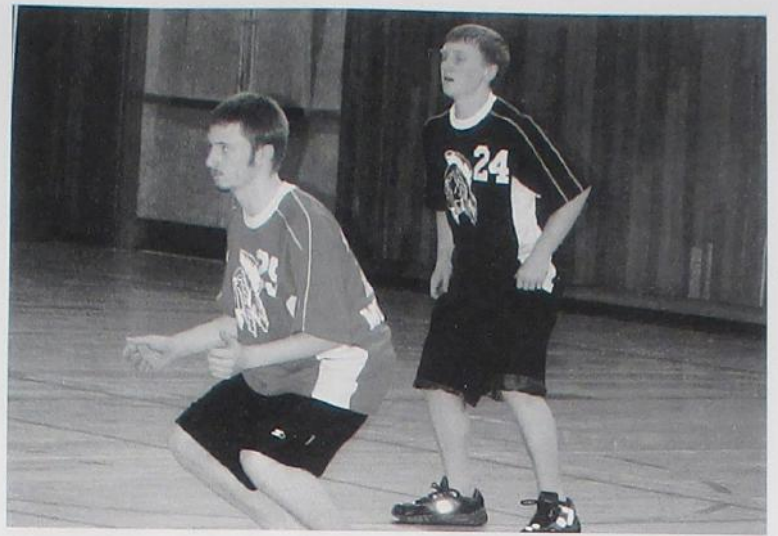

Mens Volleyball

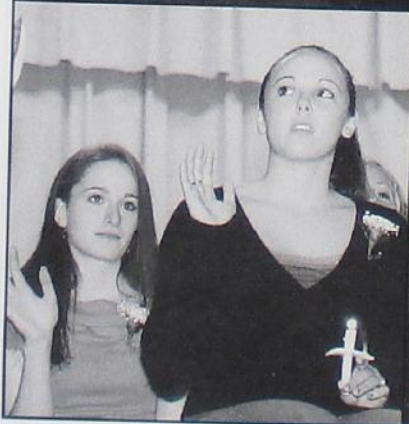

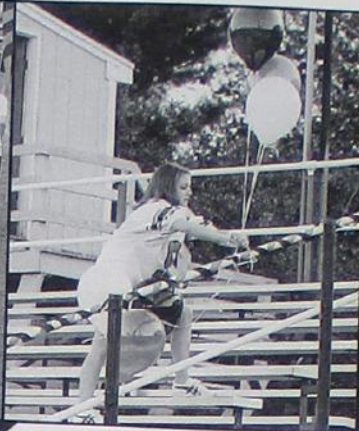

Once again loosing in the State Final is a very hard thing to do even when it's for the second time. With that aside the team had a good year with their new coach. Even though we had pressure on us from the beginning of the year to go all the way, we were never scared. We were the same typical Millis kids who go up against bigger schools and laugh. The team had a lot of emotion on the court and had a good time going through the season and tournament play. One of the best memories was defiantly destroying Catholic Memorial the second time around after they took our only loss from us.

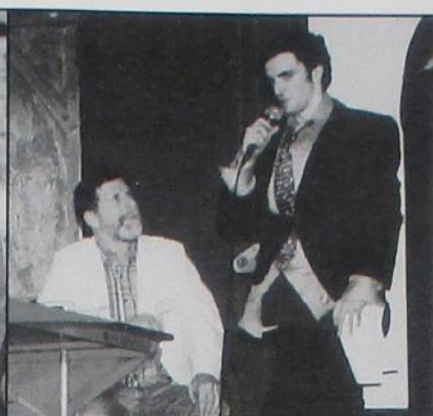

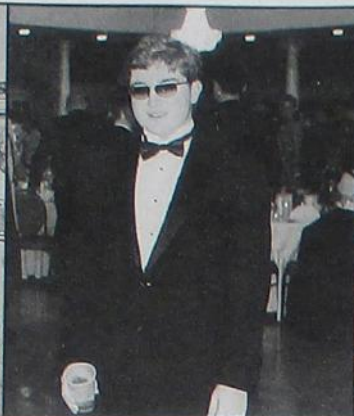

Varsity Back Row: D. Coleman, K. Wessling, C. Kusleika, Coach, D. Knehr, S. Micucci. Front Row: S. Topazio, P. Prohodski, J. Kuphal, S. Amalfi, C. DiMilla, G. Maier.

William Vogt
Valedictorian

Good evening reverend clergy, members of the school committee, Dr. White, Mrs. McCann, faculty, parents, relatives, friends, and the Class of 2005. Thank you all for attending this ceremony today. But what is today? Today is a convergence of two major parts of our young lives. Today we look back on our education, and we look ahead to how we will use what we have learned in our careers.

Robert Hutchins, President of the University of Chicago from 1929-1945, once said, "Education is not to reform students or amuse them or to make them expert technicians. It is to unsettle their minds, widen their horizons, inflame their intellects, teach them to think straight, if possible." When we were small children walking around in single file blindly following teachers around the halls, we weren't being educated. Sure, we learned things: our numbers, the colors, random facts. But that isn't education. That's memorization. Those are the basics, things that you just learn for learning's sake. Our education began when we asked questions. Why does counting work? Why are there different colors? Why do the planets move? When a student begins to wonder, to inquire into the nature of everything, that is when we begin educating ourselves. As we grew older, it became an embarrassing thing to ask a question in class. Kids would laugh at the seemingly stupid question, "Why does that work?" "Just because" would be their smug reply. For a truly educated person, "just because" is not an answer. If everyone just gave up at the question "Why does this work?" we would still be reading by candlelight. But with that question, we now know the answers to many of the questions that have arisen over time.

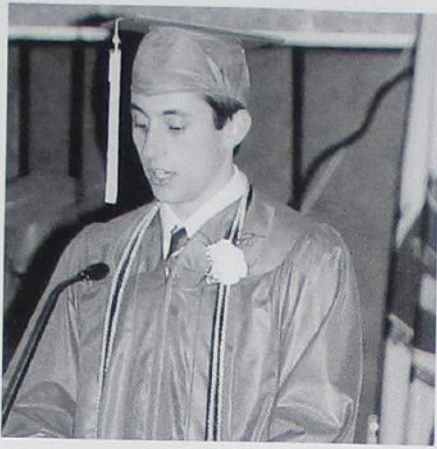

But there are some questions that are, as of today, unanswered, questions that exist in every field of study in the world. The search for a cure for cancer, the search for a Grand Unified Theory of the universe, the search for a method to control hyperactive kids. These are just some of the things we as a world community are questioning. Inquisition is how we, as a class, have made it to where we are today. But where will it lead us tomorrow? Education, real education, never stops. We must always continue to question, to educate ourselves, now that we are assumed to be responsible young adults. In the last four years, we have learned to work independently, to investigate with no prodding from teachers, to teach ourselves how to think. School wasn't about what we learned; it was about learning how to learn. Regardless of our future plans, we will all continue to learn, and it is important that we never forget what we learned here: we learned, today, that we have become individual thinkers, and that, provided we never lose that inquisitive spark, we will achieve great things in the years to come.

Jonathan Kindness
Salutatorian

Life is a dance. In every word and every action there are inescapable rhythms, most of which we don't even notice. There are patterns and repeating cycles that we move with every day and unconsciously follow as they take us through the ups and downs of our existence. Some days, weeks, or even years are simple, repetitive, and standard. You step the steps and go through the motions, and nothing challenging or threatening comes along, but eventually this gets boring, and there's no potential for thrill. Then there are the days that are fast, exciting, and exhilarating. They throw every challenge they can at you, and you have to use your best tricks and moves to make it through them. Sometimes you just can't handle it, and life moves just a little too fast for your feet. But sometimes you're perfect, you do everything just right, and everyone takes notice, because you are succeeding in a fast-paced environment.

It doesn't matter how you dance the dance of life; there are a lot of styles, none better than the others. You could be an athlete, an artist, a scientist, or anything else that springs to mind. Whatever steps you choose to make, all that matters is that you make them well. When you give it your all and take on the greatest challenges with the greatest of skill, the world *will* take notice, as this year's senior projects firmly demonstrate. That being said, it's important to realize where we, the class of 2005, are in this great dance. It may feel like we're taking our bows and seeing the final results of four hard years, and that's true. But these past four years are just the opening act, the prelude to the greatest performance we're ever going to make. We've made our first appearances, and we have a lot of eyes on us, so now it's time to take center stage and really show the world our talent.

Kyle Wessling
Class President

Good evening Dr. White, Mrs. McCann, faculty, students, family, and friends. I would like to welcome you to the graduation of the class of 2005, and extend a special welcome to our former principal Mr. Naughton.

I have been honored to serve my class as class president for the past four years. Within those years I have been privileged enough to watch and grow with my classmates. The Class of 2005, I honestly feel is one of the strongest classes to come through Millis High School in a long time. In our class a GPA of 3.5 is considered mediocre, and may not even solidify a rank within the top 25% of the class. When we were underclassmen, a senior once said to me, "Kyle, my entire grade and I hate your class!" I looked at him baffled, and asked why, figuring he hated us simply because we were sophomores. He said, "We hate you because your entire class is full of competitive, overachieving, athletic, smart kids, who are good at everything they do!" What started off as an insult translated into one of the best complements a class president could have received, and I believe that my class' competitive edge and willingness to achieve more than what is required, will propel us into successful futures.

Some may think that with such a competitive atmosphere our class never got along, but in fact, just the opposite happened. We are one of the most tightly knitted classes in the High School, not an easy accomplishment for one of the biggest classes in the High School, a gigantic class of 73 people!

When I started to think about the future, and old saying infiltrated my mind, "United we stand, divided we fall," and this struck me with fear. I have stood united with my classmates for the past four years, and even before that. Does that mean that we are all dividing here at graduation, and destined to fall? The answer is no. Millis High School has prepared us to move forward, and helped us build a solid foundations to stand on. My fellow classmates, while we may be physically dividing, we will always stand united in our memories, in our minds, and within our hearts. Thank you, and I wish you all the best of luck.
